ADMISSION TEST (For admission to UG courses)

The computer based admission test of 120 minutes duration will be conducted on-line (at the examination center) at Jaipur only. The details of the admission test will be available at the websites. Please refer to the websites regularly for latest update.

Admission Test (Examination) scheme

The computer based Admission Test shall be held in the following paper (in English language). Syllabus, type of questions and total marks etc. are given in the table below:

Name of course	Syllabus	Type of question paper	Number of questions	Total marks
Bachelor of Radiation Technology / B.Sc. (Medical Lab Technology) / Bachelor of Ophthalmic Techniques	Refer the syllabus given separately	Multiple Choice Questions (MCQs) in Physics and Chemistry	100 (50 questions from Physics and 50 questions from Chemistry)	100

The syllabus is available at the website.

The appearance in the admission test will not confer any right upon the candidate to be admitted to the course.

Each question shall have four options to answer, out of which only one shall be correct. (+1) mark shall be awarded for each correct answer, (0) mark for an incorrect answer or un-attempted questions. There shall be no negative marking.

Instructions for appearing in the admission test

The Admission Test shall be held at Jaipur at examination center to be notified on the websites. All candidates are required to appear in the admission test at their own expenses. No TA/DA will be paid for the purpose.

Admit card with relevant instructions shall not be sent by post and shall be available for downloading at the websites.

ENTRY OF 10+2 / UG RESULT

(for candidates who get supplementary / are under result awaited category)

Candidates who are presently under “appeared (result awaited / supplementary) category” will be required to update their result at the RUHS website by the notified date, by entering through their login ID and password failing which their candidature shall stand cancelled or by following a procedure as may be informed at the RUHS website.

ADMISISON PROCEDURE

For UG courses, the admissions shall be made strictly in accordance with merit list prepared on the basis of score of the admission test and the order of choices / options filled in by the candidates in the on-line application form. The candidates are advised to exercise their choices / options very carefully. For the admission test, separate instructions / guidelines will be provided to the candidates through newspapers / the website(s) etc.

For PG courses, there shall be no admission test and the admissions shall be made strictly in accordance with merit list prepared on the basis of eligibility criteria and the order of choices / options filled in by the candidates in the on-line application form. The candidates are advised to exercise their choices / options very carefully.

RUHS reserves the right to decide about mode of admission. The decision of RUHS shall be final and binding to all. Candidates are advised to secure information regarding the admission from the websites.

Important to note: If at any stage, it is found that a non-eligible candidate is admitted to a course, then the admission of such a candidate will be cancelled on such detection. A penal action may also be initiated against such candidate.

Allotment of college and course

The allotment of college and course shall be made by strictly following the order of merit (category wise), seats available in each course in each college and the priority of choice/option of the college and the course filled in by the candidate in the on-line application form. While preparing the merit, preference shall be given to candidates of Rajasthan domicile.

For UG courses, candidates securing equal score in the admission test will be admitted in the following order of preference:

1. One who has higher marks in Physics in the admission test (RCA PMC 2020)

2. The candidate of higher age (older candidate).
3. One who has obtained higher marks in Senior Secondary examination (10+2) or its equivalent examination.

After allotment of college and course, candidates will be informed about their allotment at the websites. Candidate is required to take a printout of the allotment letter using candidate login option and report at the allotted college with this printout alongwith requisite documents, in original, and prescribed fee, by the notified date.

The non-viewing of the websites about allotment information by the candidate shall not be accepted as a ground for non-reporting at the allotted college on the scheduled time and date. The candidate's allotment will stand automatically cancelled if he/she does not report IN PERSON to the allotted college as per notified schedule.

No further allotments will be done by the PMC Counseling Board 2020 after this allotment. Admissions on the vacant seats, drop-out seats (allotted but not reported) shall thereafter be made by the respective colleges.

Reporting at allotted college and depositing of fees & other documents

At the time of reporting at the allotted college, the candidate will have to carry printout of the allotment letter. The candidate is required to deposit prescribed fee along with original and one set of attested photocopies of requisite documents.

The colleges shall be provided the list of candidates allotted. The colleges shall verify the credentials of reporting candidates as per this list and check the documents and other required certificates with originals.

Note: In-service candidates must obtain relieving letter from their appointing authority before reporting for admission at the allotted college. In case of non-submitting the relieving order from the appointing authority by the last date of joining, the admission will automatically be cancelled.

Admissions on the vacant seats, drop-out seats and management quota seats

Admissions on the vacant seats, drop-out seats (allotted but not reported) and management quota seats shall be made by the respective colleges in order of merit **of the qualifying examination** in a transparent manner ensuring the eligibility criteria.

Candidates who get supplementary in the qualifying examination and pass the supplementary examination (after the notified date) may contact directly at any college for admission on the vacant seats, drop-out seats and management quota seats.

Similarly, candidates whose result of the qualifying examination is awaited and are declared as having passed the examination may contact directly at any college for admission on the vacant seats, drop-out seats and management quota seats.

No admission shall be made after the date as may be notified by RUHS / Admission Board.

The admissions shall be treated as provisional subject to the final decision of any pending case(s) in any court of law, if applicable to these admissions. Further, the provisional status of admission shall stand cleared only after enrolment by the RUHS.

The decision of the admission board shall be final and binding to all.

All the judgments relevant to these admissions, passed by any Hon'ble court of justice as well as rules existing at the time of making admissions will be applicable on these admissions and the candidates will have to abide compulsorily with such judgments, rules and the changes.
